CONFERENCE ANNOUNCEMENT

International Scientific-Practical Conference
**“Transformational Approaches to Sustainable Development:
Environmental Education, Science and Conservation Practices for
Ukraine's Reconstruction”**

September 22-26, 2025

We cordially invite you to participate in the International Scientific-Practical Conference "Transformational Approaches to Sustainable Development: Environmental Education, Science and Conservation Practices for Ukraine's Reconstruction", which will be held with the support of the international project 2023-1-DE01-KA220-HED-000157119 Transformational Learning Network for Resilience - Enabling Ukrainian higher education to ensure a sustainable and robust reconstruction of (post-war) Ukraine (TransLearnN).

CONFERENCE THEMATIC AREAS:

Section 1: Environmental Security in Times of Crisis: Challenges and European Approaches

Section 2: Green Economy and Sustainable Business Models for Reconstruction

Section 3: Biosphere Reserves as Models for Sustainable Development

Section 4: Transformations for Sustainable Development: Agronomy and Environmental Education

CONFERENCE PARTICIPATION CONDITIONS:

1. Conference participation is **free of charge**.
2. Participation format: hybrid (online/offline).
3. Conference languages: Ukrainian, English.
4. Abstracts, formatted according to the requirements, must be submitted electronically to: sustainable.development1992@gmail.com by **September 14, 2025** (inclusive). *Authors bear full responsibility for the formatting, completeness, and originality of the submitted materials.*
5. The proceedings will be published after the conference on the project website at: <https://translearnn.ztu.edu.ua/resultsua/> and on the Zhytomyr Polytechnic State University website at: <https://conf.ztu.edu.ua/> in the "Science"/"Conferences" section.
6. Electronic certificates of participation (upon request).
7. Distribution of materials by October 15, 2025.

ABSTRACT FORMATTING GUIDELINES

Technical Requirements:

- **Format:** Microsoft Word or PDF
- **Page:** A4 size, 2.5 cm (1 inch) margins
- **Font:** Times New Roman, 10-12 pt
- **Length:** 1-2 full pages (extended abstracts up to 3 pages accepted)
- **Line spacing:** single

Required Components:

1. **Author(s):** surname, initials, position, academic degree (*italics, right aligned*)
2. **Institution:** full institutional name, country, email address (*italics, right aligned*)
3. **TITLE** (*CAPITAL LETTERS, bold, centered*)
4. **Abstract text** (*justified alignment*)

Additional Elements:

- **Images and diagrams:** JPG or PNG format preferred
- **Formulas:** clear formatting with consistent fonts
- **References:** optional, may be included (additional 0.5 page)
- **File name:** Surname_Initials_Abtract (e.g., Marchenko_A_Abtract)

Submission Details:

- **Deadline:** September 14, 2025
- **Email:** sustainable.development1992@gmail.com
- **Languages:** English

■ **We welcome diverse academic formatting styles** that meet basic scholarly standards

■ **Alternative institutional templates** are acceptable if they ensure readability

■ **Extended abstracts** with comprehensive research details are encouraged

■ **Technical and language support available** - contact us for assistance

- **Content and scientific merit are prioritized** over strict formatting compliance
- Professional editing support available for non-native English speakers
- Peer review process focuses on research quality and relevance

📌 **Our priority is your research contribution to sustainable development!**
